USB Couplers / Connectors

These couplers are a convenient method for connecting new USB style connectors into panels. One side has Type A connector, the other Type B conforming to requirements. Your choice of shielded and unshielded versions. UV-94-V0.

USB-CB Black, USB-CI Ivory or USB-CS Metallic (Shielded).

Similar to the USB coupler except with wire leads in the rear to connect to equipment. Choose from USB Type A or B jacks, and Black or Ivory color. Stranded wires are 20AWG (2 power) and 24AWG (2 signal) with an additional drain to shield. UV-94-V0. Black - USB-AB Type A, USB-BB Type B. Ivory - USB-AI Type A, USB-BI Type B.
